

Torpedo

Environmentally-friendly desk cleaner and stain remover

Packaging	Art.-No.	per Box	per Palett
500 ml spray bottle	9197	9	456

Properties:

Torpedo is used to remove a variety of soiling: strokes of ballpoint pens, felt pens (including permanent ones) and colored pencils, stains from ink, ribbons and stamp colors, acrylic paints, adhesive residues, rubber abrasion, creams, oils, grease and the like. The water-based product can be used specifically by spraying. It cleans quickly and thoroughly. The combination with a microfiber cloth or a melamine resin pad is recommended.

Field of Application:

Removes a multitude of different color stains from water and solvent-resistant surfaces, such as stone, glass, metal, synthetic resin, plastic surfaces etc. Torpedo can also be used on lacquered surfaces. Before use, however, a material compatibility test should be carried out in an inconspicuous place.

Application:

Spray on a clean cloth or on the dirty surface. Immediately remove the dirt with the cloth. Wipe with a damp cloth. Microfiber cloths or melamine resin pads are particularly suitable.

Dosage:

Use undiluted.

Note:

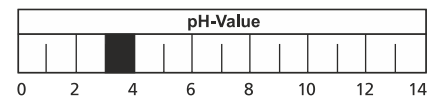

Before starting cleaning, check the material compatibility in an inconspicuous place.

Ingredients:

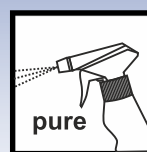

<5% non-ionic surfactants, < 5% anionic surfactants, perfumes, Limonene, Citral, Geraniol.

Productcode: GU 80

This product is intended for commercial use only. Safety data sheet available on request or at www.fala.de. For safety instructions pay attention to product label or safety data sheet.

Manual application

Use undiluted
