

Detachur universal

All-purpose stain remover for carpets

Packaging	Art.-No.	Per Box	Per Palett
500 ml spray bottle	9494	6	456

Properties:

Detachur Universal is a fast-acting, versatile agent for removing water and solvent-soluble stains from carpets, upholstery and other textile coverings. The product complements maintenance cleaning (mostly vacuuming). Stains are removed gently and deep into the fibers, e.g. Stains from coffee, cola, fruit juices, butter, milk, other food residues, shoe polish etc.

Field of Application:

For all color and water-resistant textile floor coverings. Removal of water and solvent-soluble stains from carpets, upholstery and other textile coverings.

Application:

Prior to use, check the product for compatibility with the subsurface in a hidden area. Spray Detachur Universal onto the stain. Leave briefly to take effect. Using an undyed, clean cloth, process the stain from the outside to the inside (patting, not rubbing). Then pat it with a cloth dampened with water. Repeat process as necessary. After application, reinstate the still-damp nap by brushing it. Use this product sparingly.

Dosage:

Use undiluted.

Note:

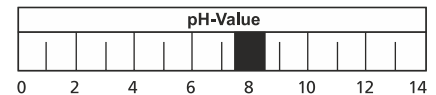

Before starting cleaning, check the material compatibility in an inconspicuous place.

Ingredients:

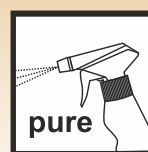

<5% anionic surfactants, <5% phosphates, perfumes.

Productcode: GT 0

This product is intended for commercial use only. Safety data sheet available on request or at www.fala.de. For safety instructions pay attention to product label or safety data sheet.

For manual application

Use undiluted
